Dear Dr. Powers,

The purpose of this letter is to verify that the laboratory located at the above listed address has a current, valid Certificate of Compliance. The certificate became effective on May 1, 2023 and will expire on April 30, 2025.

This letter is sent due to the fact that Clinical Laboratory Improvement Amendments (CLIA) certificates are not reissued for regular certificate changes (i.e. demographics, ownership or laboratory director) or misplaced certificates. This letter is proof that the above stated entity continues to participate in the CLIA program. You will receive a new certificate from the Centers for Medicare and Medicaid Services (CMS) at the time of your next renewal.

If you have any additional questions, please contact me at (808) 692-7438 or email me at diane.kumashiro@doh.hawaii.gov.

Sincerely,

Diane Kumashiro
